

SFVW Doll Design

- The dolls are approximately 11 1/2 " tall and 1 1/2 " thick.
- Constructed out of basic cotton fabric. Your choice on colors.
- Features: eyes, nose, mouth, and heart are applied with non toxic paint pens.
- Doll is very simple in construction. Then filled with soft fiberfill.
- Hair: constructed of pieces of yarn about 15" long. Then folded in half and sewn together to create a ponytail, length is about 8" from top of head to tip. The sewn together hair is then sewn onto top of the dolls head. A narrow ribbon is used to tie hair into ponytail.
- Small knit cap is knitted/crocheted and sewn on top.... Optional.
- The clothes all have simple sewn seams. The panties have thin elastic at the waist. Allowing the child to remove them.
- No small objects such as buttons, etc — these are for small children.
Simple bow can be sewn to front of dress.

For detailed instructions refer to the patterns.
